

شركة تموين الشرق للتجارة
ORIENT PROVISION & TRADING CO.

Serving Quality for 60 Years

Orient Provision & Trading Company was established in 1965 to meet the region's increasing demands in importation and local distribution of food and non-food consumer products. Initially covering the western region of Saudi Arabia, the company has grown in a very fast rate covering the entire Saudi Arabian market with 28 sales offices supported by professional sales force and marketing team. With continuous modernization of its operations, the company is fully capable of delivering service required by our suppliers, distributors, retailers, wholesalers and the consumers. From production and importation to local distribution of branded food and non-food products, OPTC has the resources and the facilities, the experience and determination, the corporate vision and the right team to meet demands, surpass expectations and produce results.

Continuing a Tradition of Providing Quality Products.

Vision:

To be the number one food and Non-food distribution company in Saudi Arabia by maintaining the consumer and the community's needs. Providing world class quality products and maintaining its continuity and growth

Passionate about our Products & People.

Mission:

Our mission is to satisfy people by our products and services and develop new ways of working that will allow us to double the size of our services while reducing their environmental impact.

Commitment to business ethics.

Our Suppliers

For over 45 years, OPTC has enjoyed a proud tradition of "Excellent, Quality. Our history is the result of years of operating in synergy with our suppliers all over the world. Our success is attributed to our commitment to the highest level of professional and ethical standards while maintaining our honesty, excellence and integrity.

Sales and Marketing Support

The strength of our sales force is unmatched in its ability to reach all market sectors. The company is proud that its sales force covers every supermarket and store in Saudi Arabia and is equipped to provide services efficiently.

Our team or merchandisers are trained and able to assist with the instore support requirements off all our retailers and distributors.

Our brands are marketing and managed by team of experienced brand Managers and Marketing Executives. Each brand manager is responsible for planning and execution of strategies of both agency and company-owned brands.

The team is also the vital link between our customers and the company ensuring efficient and professional communication at all times.

One company. One team. One Vision.

Our Team

At OPTC, we have created a culture of development where our people discover their talents, advance their skills and embrace different viewpoints.

The company owes its success to our team who deliver the company's promise of quality products and efficient service to our customers everyday. We nurture team spirit by providing opportunities for improvement at every turn. We exchange ideas and ensure a good working environment that is conducive to delivering results.
